### **JOOLS HOLLAND & JOSE FELICIANO: As You See Me Now (East West)**

JOOLS HOLLAND ranks guitarist Jose Feliciano alongside The Beatles and Motown in terms of musical influence, and he's happy to allow the Puerto Rican, 72, to take centre-stage here. The pair blend Latin guitar and boogie-woogie piano, but it's new versions of old Feliciano songs such as Feliz Navidad and Let's Find Each Other Tonight that steal the show.
